Statement of general policy	Responsibility of (Name / Title)	Action / Arrangements (Customise to meet your own situation)
To prevent accidents and cases of work-related ill health and provide adequate control of health and safety risks arising from all work activities.	Adam Walker – Health & Safety Manager	As overall H&S Manager for the Heckington Windmill Trust, he oversees the H&S Policy and is required to generate and maintain the relevant Risk Assessments. These are to be reviewed annually with the appropriate managers, or earlier if deemed necessary.
To provide adequate training to ensure employees are competent to do their work	Liz Ward: Tea Room Manager Paul Reid: Shop Manager, Trustee and Director Martin Willis: Engineering Sharon Tymens: Bake House contact Liz Desmond: Volunteer Co-ordinator Michelle Andrews: Collections, Trustee and Director Adam Walker – Health & Safety Manager	All staff and main and sub-contractors, are to be given the necessary H&S induction, to include where appropriate, working at height, lifting and lifting appliances, asbestos awareness, electrical safety, operation of milling equipment, PPE, evacuation procedures, knife control, management of visitors, and precautions to be taken with young people and vulnerable adults. Visitors are given a site safety brief on induction and an additional specific H&S brief for “safe use of the Millers ladders” (ascending the tower).

Statement of general policy	Responsibility of (Name / Title)	Action / Arrangements (Customise to meet your own situation)
To engage and consult with employees on day-to-day health and safety conditions and provide advice and supervision on occupational health	Michelle Andrews: Collections, Trustee and Director Paul Reid: Shop Manager, Trustee and Director Martin Willis: Engineering Sharon Tymens: Bake House contact Liz Desmond: Volunteer Co-ordinator Adam Walker – Health & Safety Manager	Routinely consult staff members on H&S matters as they arise, and formally review procedures when deemed necessary.
To oversee implementation of emergency procedures – and ensure building managers carry out 6 monthly evacuation training in case of fire or other significant incident. You can find help with your fire risk assessment at: (See note 1 below)	Paul Reid: Shop Manager, Trustee and Director Adam Walker – Health & Safety Manager	Produce and maintain evacuation procedures for the windmill, Granary complex, Bake House, Miller's House Tea Room. Building Managers to brief all staff on the procedure 6 monthly. All new staff are to be briefed on arrival.

To maintain safe and healthy working conditions, provide and maintain plant, equipment and machinery, and ensure safe storage / use of substances	Paul Reid: Shop Manager, Trustee and Director Martin Willis: Engineering Sharon Tymens: Bake House contact Adam Walker – Health & Safety Manager LCC Property Team: Mill structure/fabric	Oversee the routine maintenance and repair of mill machinery within the capability of the Trust membership. The extent of this work is to be agreed between LCC and their millwright, and The Trust Mill Manager. The Mill Managers will maintain the COSHH register and H&S files. The routine inspections will be carried out by the individual building managers, problems being reported back to the mill manager.
---	---	--
